Thank you for allowing the Range Artists Association's instructors to teach your child various art techniques at our annual "Summer Art Camp". To help promote our organization through our website, [www.rangeartcenter.org](http://www.rangeartcenter.org), and Facebook page, we publish pictures and/or slideshows of photos and videos taken during our classes. Therefore, we are asking your permission to take photographs and/or videos of your child and their artwork. If applicable, only first names will be used to identify the "Artist" and we encourage you to notify all of your friends and relatives to visit our site and see your child's artwork on the web. Occasionally, the local newspaper may also come by and take photos and /or video. Thank you for your cooperation.
